**RESPONSE TO LETTER**

Sir:

This Response answers the Letter from the Petitions Office, dated Mar. 21, 2011 as signed by Ms. Alesia Brown, within the one month response period. The Letter indicated that the third maintenance fee has become due for U. S. Pat. No. 6,308,610.

However, Pat. No. 6,308,610 issued Oct. 30, 2001 and that makes its third maintenance fee not yet due until April 30, 2013.

We agree with the Petitions attorney that the second maintenance fee for Pat. No. 6,308,610 became due during the pendency of this petition.

Following the telephone call of Feb. 28 with Ms. Brown we submitted the remaining funds for the small entity second maintenance fee on March 22, 2011. We understand that those funds were received on or about March 25, 2011 as per the

appended postcard. On or about March 29, 2011, we faxed our transmittal of maintenance fee dated March 22, 2011 to Ms. Brown.

Kindly reinstate Pat. No. 6,308,610 in due course.

Respectfully Submitted,

A handwritten signature in cursive script, appearing to read "Charles C. McCloskey".
